- 2 containers of Clorox wipes
- 1 bottle of hand sanitizer
- 1 box of zip lock bags (snack size or gallon size) (Jamieson Only)
- 2 single roll of paper towels (Jamieson Only)

Dear Parents,

Welcome to Kindergarten!! September is such an exciting month! For teachers and children, it is a month of change and new beginnings- new surroundings, new friends, new experiences, new skills and new challenges.

This year your child will explore the world of learning and will develop many new basic skills. Encourage your child to practice and develop these new skills at home. In order to achieve these goals we do give “homework” throughout the year. We cannot stress the importance of your child learning responsibility for his/her own work and developing study skills for the rest of his/her school years. This homework should take no more than 20-30 minutes and may need your assistance, however, please do not do it for your child. At times it may appear repetitive, but it will make a big difference during the year as our reading skills improve.

Please take time to discuss each school day with your child. Ask open-ended questions and offer positive feedback. Review all work brought home and set aside a special place for displaying the work. Your constant interest will play an important part in your child’s learning success.

We are glad to have your child in our class, and we are looking forward to a wonderful school year. We hope you will visit often to share in the growth and excitement taking place in our classrooms.

Sincerely,

Mrs. Jamieson

Mrs. Poplawski
